

Thailand-Taiwan Beverages Processing Technology Cooperation Conference

Taiwan beverage industry is well matured in technology and market with more than 400 new products launched each year. Processors success in the competitive market relies on high efficiency and flexibility in production. Taiwanese process system suppliers provide processors technology integration in automation and turn-key solutions. This strong alliance makes small and medium size beverage processors remain in cutting edge competition. In this conference, beverage process system suppliers in Taiwan will share their success stories and seeking outreach cooperation with beverage processors in Thailand.

Date:

Friday, June 14, 2019

Venue:

Nazarath 2 Room, Avana Bangkok Hotel

900 Bangna – Trad Rd. Km. 2 Bangna Bangkok Thailand 10260

Organizer:

Food Industry Research and Development Institute (FIRDI), Taiwan

National Food Institute, MOI (NFI), Thailand

Sponsors:

Yung Soon Lih Food Machine Co., Ltd., Taiwan Benefit Company, Chieh Song Company

Agenda:

Time	Program
08:30 - 09:00	Registration
09:00 - 09:20	Opening Remarks
09:20 - 09:50	Market and Product Development Trends of Beverages in Taiwan
